CITY, ENERGY AND ADVENTURE

Don't miss the chance to experience a unique adventure with **OM Cycling Tours!**

Book your trip and get ready to ride in one of the most famous cities in the world.

The adventure begins on **May 15**: the group will gather at Milan Malpensa Airport, ready to fly to **New York City**.

We'll land at JFK in the evening, and a comfortable transfer will take us directly to the hotel to conclude the day.

The following day, on **May 16**, we'll start with a ride on part of the Granfondo route, covering about 70 km to savor the energy of the upcoming event.

In the afternoon, we'll get lost among the iconic streets of **Manhattan** and its skyscrapers. The day will end with a welcome aperitif and dinner at one of the city's selected restaurants.

May 17 is dedicated to preparation: we'll start with a warm-up ride and pick up our race numbers, immersing ourselves in the electrifying atmosphere of the **GFNY village**.

The afternoon is perfect for relaxing and enjoying some free time in the Big Apple.

And here comes **May 18**, the moment we've all been waiting for: the GFNY World Championship! After an **exciting race**, we'll wrap up the day with a memorable dinner.

All the restaurants will be carefully selected by us!

On **May 19**, we'll focus on a rejuvenating ride through New York, with a stop at the legendary Brooklyn Bridge and a coffee break at some of the city's most famous spots.

In the afternoon, we'll have a **guided tour** with an **expert** who will take us through the wonders of Wall Street, we'll cross the famous Fifth Avenue, admire the impressive Rockefeller Center, and much more.

Finally, on **May 20**, those who wish can join an optional morning ride, or take some time to enjoy the last sights of the city. In the afternoon, we'll pack our bags for the return trip, carrying with us unforgettable memories of an epic week in New York.
